

**‘ TATA Consultancy Services ’ , India ’ s largest IT conglomerate,**  
**Opens its Osaka Office, via TCS Japan Ltd**

~”Team Osaka” provides full support~

- “Team Osaka” (with the 3 organizations, ‘O-BIC’, ‘IBPC Osaka Invest Promotion Center’ and ‘JETRO Osaka’ joining forces to invite foreign companies to Osaka) is immensely pleased to see ‘TATA Consulting Services Japan Ltd’ (the corporate body in Japan of TATA Consultancy Services, India’s largest IT conglomerate) open their Osaka Office for operation starting on June 15<sup>th</sup> 2010. This opening was officially made public at the press conference for the announcement on the day regarding the very first office of the TATA Group in Osaka.

- TATA Consultancy Services (TCS) is the core organization of TATA Group consisting of 96 companies in 7 main lines of business with 162 overseas operation bases in 42 countries worldwide, as Asia’s largest-scaled IT consultancy corporation with total sales of 6.34 billion US dollars achieved in FY2009 (April 2009–March 2010). Among all the IT companies of India, TCS made its earliest advance into the Japanese market in 1987, and, with TCS Japan Ltd in Yokohama as the operation base, is currently offering IT-related services to large corporations of Japan. With the opening of this Osaka Office, TCS can now further enhance its services to existing customers in Osaka/Kansai and also further strengthen proposals for IT solutions for winning new customers, as well as work on developing systems required, by globally operating companies.
- The Kansai area not only has large, small and medium-size companies equipped with the world’s top-level technologies all concentrated in the area but it is also home to a large number of global or multinational companies operating. To all these customers, TCS can offer the best of its so far globally cultivated knowledge, practices or skills. TCS is ready to strongly support businesses of the companies in the Kansai area with innovative, high-quality solutions and flexible responses to the customers, as well as with highly specialized human resources of great variety.
- For the first year, TCS Osaka aims to secure contracts with 5 companies, with main activities in the financial sector involving those in manufacturing and medical services industries.
- With TCS now having joined the Osaka/Kansai market, the “Team Osaka”( ‘O-BIC’, ‘IBPC Osaka Invest Promotion Center’ and ‘JETRO Osaka’) is very pleased to have fulfilled its part to jointly offer various required information on the office and residing or living-related issues and also the temporary office provided by JETRO Osaka. “Team Osaka” will continue to do the utmost to invite investments or companies to Osaka from fast-developing India as well as from the rest of Asia.
