

2014 JOINT CHAMBER INTERNATIONAL MEISHI EXCHANGE

Kansai's Expanding Global Presence

Under one roof, local Japanese businesses will join their foreign counterparts to strengthen existing ties and build new partnerships during an evening of business networking. This event is your opportunity to meet the main players and to explore new market opportunities in Kansai and abroad.

Kansai Ambassador Miwa will be attending the event for the first time, as well as Kansai's Consular Corp. City and Prefectural Government officials will also be on hand to facilitate networking and to provide market information to participants. Leaders from both the international and local business Chambers will also be in attendance to offer their expertise on current market conditions and potential business strategies.

Finally, participants can look forward to a sumptuous buffet with drinks followed by a raffle including numerous grand prizes. **All** proceeds from the raffle will go towards charity supporting children affected by the Tohoku disaster.

Networking by Industry – This year, we will again offer a 30 minute module for participants to meet and network exclusively among peers, colleagues and new members of their own industry.
